

# Dental care is available at school!

*The Virtual Dental Home is a safe way for students to get care without leaving campus*

## How is it safe?

We follow safety guidelines to reduce the spread of Covid-19

Each child is screened and temperature taken before visit

Dental teams are regularly tested for Covid-19

Dental teams wear masks, gloves, gowns and make sure enough air is circulating within the treatment room

The teams don't use drills or do any procedures that cause spraying

Treatment room and equipment is cleaned and disinfected between visits

## What kind of care is available?

Dental exam

Photos and x-rays

Teeth cleaning

Fluoride varnish application

Sealants on molars (back teeth)

Small fillings with no drill or shots

## Your Dental Team:

(insert name of health center)

(insert name of RDH)

(insert name of RDA/care coordinator)

(insert name of dentist)
